Invitation to attend

On behalf of the WCoP 2016 organizing committee, it is our great pleasure to invite you to the second World Conference on Pharmacometrics (WCoP) to be held in Brisbane, Australia from 21 to 24 August 2016.

The Population Approach Group of Australia and New Zealand (PAGANZ) will be your host for WCOP 2016 and will be supported by the Australasian Society of Clinical and Experimental Pharmacologists and Toxicologists (ASCEPT). Together, with the WCoP Executive we will join forces to produce a 2016 conference that is innovative and promotes pharmacometrics research and methodology globally.
